4 THE PRESIDENT: Delegate Gallagher.

5 DELEGATE GALLAGHER: The cameras and lights have

11 DELEGATE GILL: Mr. President and fellow
12 delegates:

13 Saturday I wanted to ask you to join me in
14 congratulating one of the delegates, but I was not allowed
15 to use the microphone; so today I am a little late, but
16 I would like you to join me in congratulating Delegate
17 Gleason, who was appointed as Chairman of the Washington
18 Metropolitan Transit Authority. (Applause.)

19 He was the one who wouldn't let me use the micro-
20 phone.
